San Diego North County Inland Unit 549's Winter Oceanside Sectional

January 29, 30, 31

Separate games for 99ers - and bracketed knockouts! So newer and novice players get to earn their silver points against players at their own level!

Over the top hospitality - before, during, and inbetween, you won't go hungry! There's a really tasty dinner that's included with the Sunday Swiss Teams, too.

Zero Tolerance strictly enforced - so you're guaranteed a friendly playing environment (although we can't guarantee friendly cards)!

Convenient free parking - for this Winter Sectional we've got car-starting and tow-truck service available, with a snowplow on standby (just in case).

If your New Year's Resolution in 2010 calls for "more bridge", we are here to help!
